

SAVE IN THE LONG TERM.

MAN Connected CoDriver – Efficiency training for every day.

Fuel, road tolls, vehicle damage: in day-to-day business, costs can pile up quickly. Meanwhile, competitive pressure is constantly building. If you want to claim success on the market, you have to be as efficient as possible. This means that as a driver of MAN trucks, you play a critical role. MAN Connected CoDriver training will teach you how to use the driver assistance systems in your vehicle efficiently when on the road. The aim: increased safety, optimized fuel economy and segmentspecific usage.

If you have any questions about these training courses or MAN ProfiDrive®, we would be happy to help – simply contact our MAN ProfiDrive® team by telephone or email:

MAN Connected CoDriver – Efficiency training for every day.

MAN PROFIDRIVE®

We equip the future.

Efficiency and safety are becoming an ever higher priority for Fleet Operators, Managers and Drivers when it comes to equipping a company for the future. To help our customers achieve this, we provide comprehensive support. It's not only our technologically advanced, consumption-optimised trucks, buses and vans that offer tangible added benefits for your business. As part of MAN ProfiDrive®, we also support the continuous professional development of drivers internationally with our MAN Connected CoDriver training programme. Because employees who have a firm grasp on their vehicle and who avoid risks, lower consumption and reduce wear with a cautious driving style, make a significant contribution to reducing the everyday costs of your business.

MAN ProfiDrive®: We equip the future.

Comments

Please confirm that you are willing to receive marketing communications on the reverse.

Marketing consent

Maintaining contact with you is important to us. We need you to consent to receive marketing materials from us in order to ensure we can offer you the best possible service in future, provide you with, among other things, customised information on new products and services and workshop appointments, and send you invitations to customer events.

I agree that MAN Truck & Bus AG may use and process my contact details for the purposes of personalised advertising (including customer surveys). In this regard, I would like to be contacted via the following communication channels:

Email	yes <input type="checkbox"/>	no <input type="checkbox"/>
Telephone/mobile (incl. SMS)	yes <input type="checkbox"/>	no <input type="checkbox"/>
Post	yes <input type="checkbox"/>	no <input type="checkbox"/>

In addition, I agree that my data may be transmitted for the aforementioned purposes and within the applicable business context to the MAN Truck & Bus national sales companies and authorized MAN sales and service partners (dealerships and workshops) in my region, as well as to companies in the Volkswagen Truck & Bus Group and the Volkswagen Financial Services Group, in order to ensure that these companies can offer me the best possible service. Any sales-related queries that you submit will be forwarded to your sales contact; queries related to workshops and parts will be sent to the responsible workshop, and general queries will be sent to the appropriate department at the national sales company for your region and then processed in a decentralised manner. When customer surveys are conducted, the national sales company responsible for your region will transmit your personal data to corporate offices at the Volkswagen Truck & Bus Group.

Your consent is voluntary and valid until withdrawn. It can be withdrawn at any time with effect for the future.

Please send your withdrawal of consent to:
